

Dear Dr. Diana Olivieri,

Thank you for submitting to ECER 2009, "Theory and Evidence in European Educational Research". The programme committee has now finished the reviewing process.

CONTRIBUTION DETAILS AND REVIEW RESULTS

ID: 719

Title of Proposal: School time ✦ Free time crossroads: Background music as emotional priming for mathematical skills

Handed in to NW: `21. Postgraduate Network (Pre-Conference)`

Result: Accepted

Congratulations! Your contribution has been accepted for presentation at ECER 2009.

ECER 2009 (Main Conference) will run from Monday 28 September to Wednesday 30 September. The Main Conference will be preceded by the Postgraduate and New Researchers Pre-Conference running from Friday 25 to Saturday 26 September.

OVERVIEW OF REVIEWS

Evaluation of the contribution

Recommendation: 08 ✦ Accept

Comments for the authors

- Very interesting study about mathematics and music.
- It seems particularly relevant when considering the growing use of media connected to music.
